Tell us if things go wrong

We always try to do our best but we know that, sometimes, things go wrong. If this happens it's important that you tell us as soon as possible.

Generally, complaints should be about matters which have happened within the last 12 months although, in some cases, we can accept complaints that are older than this. If you are not sure please discuss your complaint with us.

Sorting out Complaints:

Most complaints can be sorted out by discussing the problem. If we agree a solution, we will keep a record to make sure nothing was missed. If we cannot solve the problem immediately it will be passed on for further investigation and action.

We use a two stage complaints process to do this.

Stage One

- Within 5 working days we will write and tell you who is investigating your complaint
- The letter will also explain how long this will take
- We aim to answer your complaint within 20 working day.
- The investigating officer will write to you with the results of the investigation
- This letter will explain what to do if you are not happy with the investigation
- If you want to take your complaint to stage two you need to write to us within 14 days of receiving this letter.

Stage Two

- Within 5 working days we will write and tell you who is doing the stage two investigation
- The investigating officer will be a more senior officer
- The officer will contact you and make a written record of your complaint
- Within 30 working days their service manager will write and tell you the result of the investigation
- You will also get a copy of the officer's report.

We aim to sort out any complaint as quickly as possible and hopefully you won't want to go to stage two. However, if you are still dissatisfied after stage two you have the right to contact the Local Government Ombudsman.
